

Charter School Application

2024-2025 School Year

Thank you for considering an Appleton Area School District (AASD) charter school. We are proud to offer a wide variety of unique academic programs, supports, and extracurricular activities in locations across Appleton at our free, public charter schools, ensuring students have access to the tools they need to thrive and be successful.

Please complete an application for each student you wish to enroll in a charter school. If you wish to apply to multiple charter schools, please complete a separate application for each school. Applications can be returned to the AASD Welcome Center 2701 N. Oneida St, Suite C3, Appleton, WI 54911.

February 23, 2024, is the cutoff to be placed in the lottery. Applications after that date will be put on the waiting list if no spots are available in the order they are received.

If you do not currently reside in the AASD or are not currently open enrolled to the AASD, you will also need to complete the Open Enrollment process. This is separate from the charter school application process.

For more information, visit https://www.aasd.k12.wi.us/families/open_enrollment or <https://www.aasd.k12.wi.us/charters>.
